

## AIRCRAFT RENTAL & TERMS OF USE AGREEMENT

Aircraft Subject to Aircraft Rental Agreement: Any and all aircraft owned, leased, or otherwise operated, and offered for rental by ANGEL AVIATION, INC (ANGEL AVIATION).

Acceptance of Aircraft by Renter: Renter will preflight the aircraft prior to acceptance and shall immediately notify ANGEL AVIATION of any discrepancies, damage, or other conditions relating to the rental of the aircraft. If the Renter fails to provide such notice before accepting the aircraft, the Renter will be conclusively presumed to have accepted the aircraft in an airworthy condition.

### I. Flight Operations

- a) There will be NO landing on unapproved runways, (including but not limited to: sand, dirt, gravel, grass, etc.) except in emergencies or with prior authorization from ANGEL AVIATION management.
- b) Renter will comply with all Federal Aviation Regulations (FAR's) and State of Alaska Regulations.
- c) Renter will operate aircraft in compliance with the procedures and limitations in the Pilot-Operating Handbook (POH).
- d) Except during an actual emergency, Renter will not activate the flaps until in the white arc.
- e) Renter will not give or receive flight instruction from non-ANGEL AVIATION personnel without prior authorization from ANGEL AVIATION management.
- f) ANGEL AVIATION reserves the right to restrict, prohibit, and reschedule aircraft rentals as needed.

### II. Pilot Requirements

- a) Renter must have a current FAA medical and appropriate pilot certificates.
- b) Renter will meet FAA currency requirements for the flight they are conducting.
- c) Renter must provide their own aviation headset, fuel sampler, fuel level gauge, nav logs, navigation charts, chart supplements, etc..

- d) Prior to the first flight a check-out at the current hourly rental rate with an ANGEL AVIATION instructor is required.
- e) If renter has not flown with ANGEL AVIATION within 90 days, another checkout must be completed unless otherwise specified by ANGEL AVIATION.

### III. Maintenance and Return of Aircraft to ANGEL AVIATION

- a) Renter WILL be charged \$500 for the replacement of damaged tires (i.e. flat spots).
- b) Renter WILL be charged for any damage to the aircraft or items installed on the aircraft due to negligent use of certain items (i.e. sun visors, headrests, but not limited to these items).
- c) Renter is responsible for removing all trash from aircraft and returning the aircraft in the same manner with which it was taken. If the aircraft is left disordered or professional cleaning is required, renter WILL be charged and billed accordingly.
- d) Renter will notify ANGEL AVIATION personnel as soon as possible if involved in an aircraft accident or incident.
- e) Renter will notify ANGEL AVIATION personnel if there is a maintenance problem at or away from ANGEL AVIATION rental location.
- f) If there is a maintenance problem away from ANGEL AVIATION's rental location, Renter will not leave the aircraft until arrangements are made with ANGEL AVIATION management.
- g) Renter will notify ANGEL AVIATION as soon as possible anytime a rental aircraft cannot be returned by the scheduled time. Failure to do so may incur additional charges.

### IV. Liability for Damage to Aircraft

- a) Renter agrees to pay ANGEL AVIATION for aircraft recovery charges, any damage or loss to a rental aircraft, including but not limited to loss of use, due to Renters negligence or misuse or any other cause occurring during the period the aircraft is in the possession and care of the Renter. If the Renter has rental

aircraft insurance, ANGEL AVIATION will collect any sums due directly from the insurance carrier.

**v. Cancellation**

- a) Renter is required to notify ANGEL AVIATION prior to any cancellation. Renter is subject to be charged for the scheduled reservation at the full rental rate (aircraft and instructor, if applicable).

**VI. Block Rate**

- a) Block Rate is a price-reduced program and applies when pre-paying for 10 hours flight time prior to the first flight.
- b) A Block Rate may be used for all flight training and renting. You must maintain a positive balance at all times to receive the Block Rate. If you have a negative balance, all future flights made with a negative balance will be processed at the Standard rental rate.
- c) All Block Rates must be purchased at the full published rate. Partial payments will not qualify towards the Block Rate.
- d) Block Rental time must be used within 1 calendar month. If Block Rental time is not completed within 1 calendar month and a refund is requested, any billed flight time will revert to the current hourly rental rate.
- e) Angel Aviation reserves the right to adjust all rates. Any change will take effect immediately regardless of the rate at the time of the Block Rate purchase.

**VII. Payment**

- a) Payment for flight time will be based on the FLIGHT HOBBS meter and is due either prior to conducting the flight or immediately following the return of the rental aircraft.
- b) Renter must have a valid Credit Card on file prior to aircraft rental to cover any outstanding account balance, associated fees when away from ANGEL

AVIATION'S base airport/s to include, but not limited to landing and tie down fees, and any damages to aircraft. (Refer to Section IV-a)

- c) Renter is subject to being charged a minimum of 50% of the reservation time when an aircraft is rented for more than 6 hours.
- d) Overnight rentals are permitted with prior approval. Rental rates will be determined based upon the flight plan.
- e) Fuel is reimbursed with original fuel receipt at the base airport's current self-service pump price and will be deducted from the aircraft rental.
- f) Any account balance not paid in full after 30 days is subject to a 5% late fee and will be sent to collection.

*By his/her signature on this agreement, Renter agrees to all the terms and conditions contained herein and that all such terms and conditions shall apply to any and all aircraft rental periods.*
